**Enriching the lives  
of individuals in  
continuing care**

*leaders in support of continuing care*

# Who we are

## The CapitalCare Foundation

invites individuals, families, the business community and other charitable and not-for-profit organizations to join with us in enriching the lives of the residents and their families during this challenging stage of life.

To make a gift or learn more about the foundation please contact the foundation office or visit our website.

## CapitalCare Foundation

raising funds for:

- Resident activities and comforts
- Specialized equipment
- New and expanding facilities
- Making our centres more home-like
- Research for care
- Educational support for staff

**The CapitalCare Foundation is proud to support CapitalCare as they fulfill their core mandates.**

- Provide quality continuing care to our residents and clients. Provide a care environment that respects the dignity of the individual and promotes independence and choice.
- Provide specialized programs and services that are responsive to the needs of selected high risk target groups both in our centres and in the community.
- Provide leadership in developing programs and services for the "difficult to serve" continuing care population.
- Educate families and communities about continuing care services and options.
- Provide leadership to the continuing care community in the areas of assessment, research, customer service, and innovative service delivery options.
