“This incredible place increased Mom’s quality of life dramatically. She participated in such a wide variety of activities. Shopping trips, movies, dances; barbeques in their stunning back yard; these and so much more are all part of regular life there.”

-Barb B., daughter of Ruth B., resident of McConnell Place West

How is McConnell Place unique?

- small, one-story buildings located in a residential neighbourhoods
- 12 residents in each of three houses; 36 spaces total in each home
- each house within the home has its own kitchen and dining room
- most of the rooms are private; three semi-private rooms in each home
- each room has a private bathroom with a shower
- central common areas for indoor recreation and social activities
- enclosed outdoor areas with walking paths, flower and shrub beds
- residents participate in familiar activities such as gardening, housekeeping and baking
- families are welcome and encouraged to participate in activities of daily living and special occasions
- buildings are secured by keypads
