

Laurier House

Professional nursing care in the comfort of your own home. It's possible ...

... with an innovative model of care pioneered by the leaders in continuing care.

CapitalCare's Laurier House offers 24-hour nursing care in a condominium-style living arrangement.

Through a unique Life Lease agreement, your suite is your home. Furnish it according to your own tastes. Prepare your own meals or come and dine with us. Come and go as you please.

When you need care, make Laurier House your new home.

Nursing care in your own home

Nursing care in your own home

Who can live at Laurier House?

Laurier House is for individuals who have been **assessed* for supportive living (SL4) or long-term care.**

*assessments are done by Alberta Health Services

What makes Laurier House unique?

Having your own suite gives you a larger private space for the things in life that are important to you. You can move in on your own, or with a loved one. A small pet that you can take care of can also live with you.

Suite amenities

- Spacious ensuites and kitchenettes
- Private balconies or patios
- Wheelchair accessible
- Nurse call systems

Communal amenities

- Private dining room for special events
- Courtyards and outdoor gardens

Care and services provided

Person-Centred Care

At CapitalCare, we provide person-centred care with dignity and kindness. Person-centred care is about the way we interact with you and each other so that people feel cared for, known, supported, involved and connected.

Services provided at no additional cost

- Medical care
- Basic housekeeping
- Three meals*/day; assistance with eating
- Recreation programming

*meals are prepared on site by in-house cooks.

Services provided for an additional cost

- Laundry*
- Cable/Wi-Fi/Phone*
- Parking for residents*
- Visitor guest rooms
- Beauty salon

*see price list

Life Lease Agreement

This unique concept in continuing care allows you to live as independently as possible within a communal environment.

With a life-lease agreement, a lump sum* is paid upon admission for the lease. A monthly fee* covers building upkeep, housekeeping, facility laundry, utilities, meals and snacks.

When you no longer require the suite, the initial payment is returned to you – minus a small percentage** – and CapitalCare is responsible for finding another tenant.

*see price list

**dependant on the number of years lived in the suite
