National Volunteer Week April 24-30

Happy National Volunteer Appreciation Week! Reflecting on the year gone by, we are so filled with gratitude for the countless moments of support volunteers bring to CapitalCare.

While volunteers could not always physically be in our centres, they expressed the CapitalCare value of ***Come from the Heart***, in cards of well wishes, kind words in a call, art for the residents and so many more beautiful moments.

Volunteers add to the warm and welcome place our residents call home through their countless moments spent supporting residents. You are a vital part of our team at CapitalCare and we look forward to ***Working Together with Purpose in*** the year ahead while we begin to welcome back volunteers into each of our centers.

Deann Hollis said “The heart of a volunteer is never measured in size, but by the depth of the commitment to make a difference in the lives of others.” In this respect, our volunteer’s hearts are immeasurable and your empathy is indeed in action.

Thank you for all you do!

Penny Reynolds
